**A Big
THANK YOU
to CPC Supporters**

As a Pro-Life, non-profit 501(c) (3), Christian based corporation, we are totally dependent upon the generosity of our supporters. The cost of services provided to each client is \$100 to \$200.

*Those giving their time and financial aid are truly making a difference one life at a time.
May God richly bless you.*

The Blessing

From the Director
Jean Killough

Being in the arena of God's presence and watching Him change lives is ultimately the greatest blessing. During this season of Thanksgiving as we pass on our clients "Thank You", we ask you to join us in thanking the Lord for His great love for life.

Passing on the Thank You

"Thank You" are two very simple words of appreciation. However when they are spoken from the depth of a person's heart for a life altering experience, they truly bless the recipient. This is the "Thank You" that we desire to pass on to each of you who pray for and support this ministry.

In the unsettling times of our day, it would be so easy for us to fix our eyes on what is temporary. The Lord uses the words of our clients to constantly remind us that life is the everlasting treasure. When they learn to trust Him, their sorrows truly turn to joy. This is the essence of the "Thank You" we often receive and wish to share with you.

Our client's family, friends and economic status might not drastically change. It is the knowledge of each person's value to God that makes the difference. In the first 10 months of 2008: 126 persons have accepted Jesus Christ as their personal Lord and Savior, 289 babies who were threatened by abortion, now have an opportunity to live, 91 clients have attended L.E.A.P. (Life Education Assistance Program) classes. When asked how they make wise choices during difficult times, they often respond "because you cared." The words of these three clients represent the passion of their thanks.

Thank You

I wanted you to see my son and say "Thank You" for staying late to talk with me that day. He is wonderful and I cannot "Thank You" enough for caring.

Thank You

When I found out I was pregnant, I thought it was the worst thing that could ever happen to me. Now that I have my baby, I know he is the best. Thank you so much for all your help, especially the classes. My life will never be the same.

Thank You

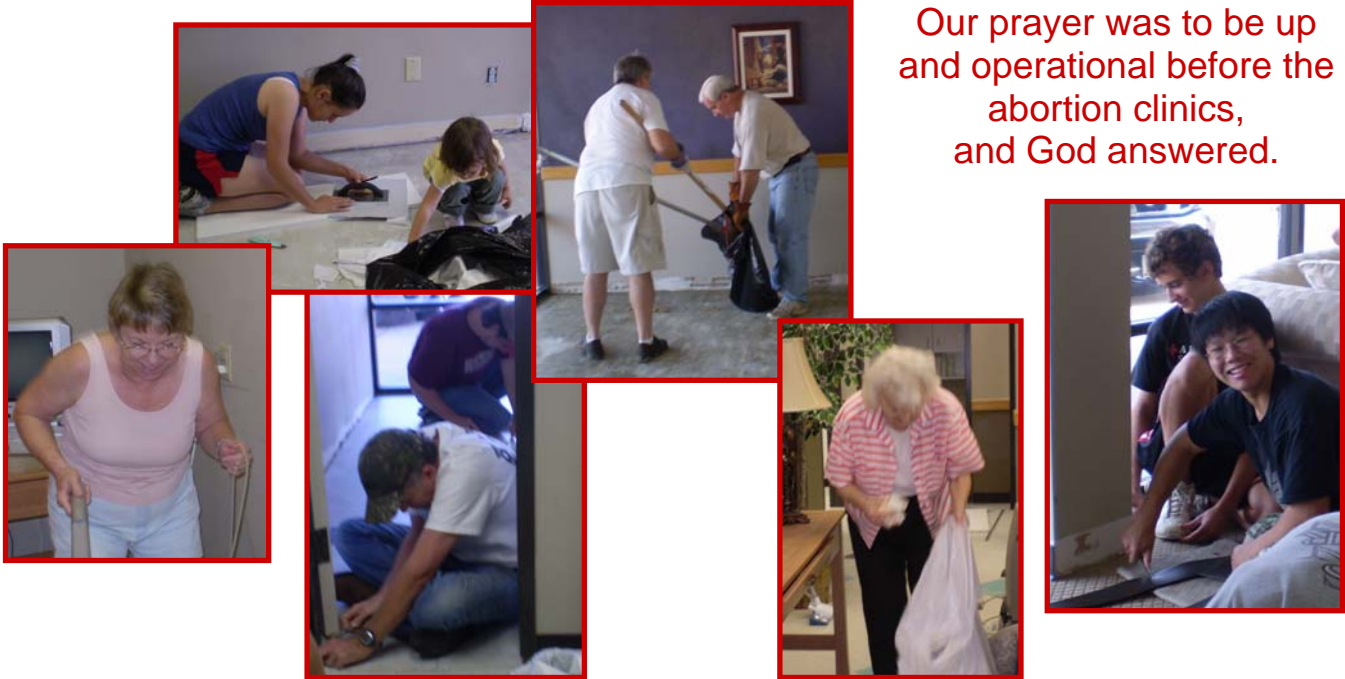

I am lying here looking in the eyes of my baby girl, and had to call and tell the nurse "Thank You". The ultrasound made all the difference. I might not have the joy of this moment without the help of the Center.

Behind the Scenes – Volunteers Come to Our Rescue

Our hope is that all of you and your loved ones have weathered Ike safely. Many of our team and their loved ones experienced property damage but all are safe. Water came in the windows of the Center and three rooms needed repair. All the flooring, adhesive, files, furniture and storage bins had to be removed before we could install new carpet, linoleum and cove molding. However, we are praising God for the wonderful servant-hearted individuals who came to our aid. The Lord has a very special way of using others to build our faith and keep us calm during the storms of life.

Our prayer was to be up and operational before the abortion clinics, and God answered.

Faces of Life

Fourth Annual Banquet

Due to the aftermath of the hurricane, we have rescheduled our major fundraiser banquet to after the first of the year. It seemed appropriate to **Celebrate Love for Life** during a season when expressions of love are common. Therefore, the **Faces of Life Fourth Annual Banquet** will be on February 13, 2009 from 6 to 9:30 PM at Grace Community Church, 14505 Gulf Freeway in the Venue. The event will include a performance by the AD Players, dinner, silent auction and reflections of the ministry's impact upon persons we serve. Anticipation of the upcoming event is very exciting, as we believe the Lord will do great things. If you would like to participate as a Sponsor, Silent Auction Donor or Purchase Tickets at \$50 each, please visit our website at www.lifelinecpc.org or call (281) 484-0005. Everyone who has already responded will receive a letter within the next couple of weeks with revised reservations. **We appreciate your help in providing love and care to those in an unplanned pregnancy.**
