

On the Front Line

When we listen to our clients and hear them tell of the trials and tragedies of their lives, it is easy to feel inadequate for the task of ministering to them. However, we are always reminded that the most important characteristic of an advocate is to allow Jesus to work through us. He enables us to share the gospel and lead many to salvation. He helps us impart wisdom and knowledge needed for a client to choose life for their unborn at risk of abortion. We often think we do so little and yet the words of our clients tell of the impact these servant hearted ladies have upon their lives.

Bibi, Beth, Dora, Jean, Dianne, Brooke, Stephine and Gloria H.

A Big THANK YOU to CPC Supporters

As a Pro-Life, non-profit 501(c)(3), Christian based corporation, we are totally dependent upon the generosity of our supporters. The cost of services provided to clients averages \$150 to \$250 each.

Those giving their time and financial aid are truly making a difference one life at a time.
May God richly bless you.

The Blessing From the Director Jean Killough

From 2004 thru Aug. 2016, Beltway has served 28,462 clients and support group visits. Of the 5,454 clients with positive tests and At Risk to Abort", 4,749 chose life.

During this time, 1,813 individuals accepted Jesus as Lord and Savior or rededicated their life to Him. Your continued prayers and support are needed and deeply appreciated.

Behind the Scenes

Often those of us on the front lines receive the acclamation. However, we could accomplish little without all the servants working diligently in the background.

Kenny recently responded to a last minute request and videoed our Client Advocate training session. The video is a valuable tool for future trainees. In addition, Kenny fills the Center's once a week heavy supply order, is an event photographer, and does many other tasks throughout the year. We are grateful for his many years of dedication and help!

Several of our volunteers come each Friday, and large church groups schedule on Saturdays. They clean the Center, mark Bibles, restock literature, sort donations, and neatly organize items in the blessing rooms. Without these dedicated individuals we would not be prepared to serve our clients or offer them the encouragement they need to attend LEAP classes and Bible Study.

Several of our clients express their appreciation with comments such as *"This is a clean establishment. The atmosphere is comfortable"*

Beyond our Walls

We are always amazed at the heart our supporters have for saving lives and the ways they find to fund this ministry. All of your generosity is vital to our ongoing success. We would like to offer you our deepest gratitude. None of what we do or the feedback from clients would be possible without you.

Several local churches and individuals give throughout the year in preset donations. Many of you attend our annual banquet and "Celebrate Life" with love offerings. Hundreds place coins, bills and checks in baby bottles during our "Change for Life" campaign. This year, six donors with matching funds from their employers have donated over \$20,000.

Many come bearing baby items that enable us to bless our clients as they participate in the LEAP Program.
