

Love for Life

Annual Banquet 2018

Featuring Rachel Norris

An Amazing Potter

Mark your calendar and plan to come experience more about your Heavenly Father, "The Potter." Rachel Norris makes His Word come alive through her beautiful artistry and powerful message. When you observe her work firsthand, you will be awed and amazed! Rachel presents visual insights into the caring hands of God molding each of us into His masterpiece.

Rachel is not surprised that she is a potter, but she is astonished at how God has used pottery in her life. Making pottery for over twenty years, she and her husband own Joy Pottery in Bryan, Texas, where they create and sell exceptional, functional stoneware. She loves to work with clay and testify to the way "The Potter" has transformed her life. Learn more about Rachel at:
