

God is Faithful to Take Us Beyond Our Vision

The Center shares the gospel with every receptive client and those who accompany her. Both men and women pray to accept Christ or express a desire to know more about God. With this, they often still feel unworthy to attend church. We encourage them to join our Bible studies and stay as long as needed until they are ready to step out and join a local church. We are blessed to have individuals of both genders from multiple churches presenting The Word chapter by chapter, verse by verse in a manner so that all attendees can clearly understand and participate. The studies include the Books of Genesis, Parallel of the Gospels, Romans and Revelation.

It is awesome to witness how God transforms individuals and entire families. Dominique came for three years with his daughters, even when his girlfriend, Jennifer, was working and unable to attend. He was intrigued by the study of the Word and rarely missed a class. After three years, Dominique dedicated his life to Jesus, not only as his Savior but also Lord. Jennifer accepted his marriage proposal, they were baptized at a local church, and married at the foot of a church's giant cross.

However, this is not the end of their story but instead a new beginning. The family was gracious to tell their story on a video for our 2017 banquet. At the end of the event, Pastor Rizer from South Belt Church approached Dominique about a part-time position as their Youth Pastor. Since he works full-time at the Post Office, this was a perfect way to start his work in ministry. Raising up a youth pastor goes far beyond the mission statement of our Crisis Pregnancy Center, but what better way to train up the next generation? Dominique is now in a position to speak out with firsthand knowledge supporting a committed relationship with Jesus, spouse and children.

God is Faithful to Provide Staff

Statistics at our Center each year prove that up to 91 % of women at risk to abort choose life when they view their unborn in the womb. This would never be possible without God providing state of the art ultrasound machines and trained, dedicated RNs and RDMSs. With both, over 5,000 women at-risk to abort have chosen life.

In filing a grant with Focus on the Family in 2005, we discovered the stipulation that an RN serve as Nurse Manager. It so happened Bette Robertson, one of our first volunteers, was a retired nurse. She agreed to return to school, renew her license and accept the responsibility. It was obvious that God foreknew exactly who we needed.

This year before any of us, including Bette, knew that family demands would dictate the need for her to cut weekly hours. God was making preparation by sending RN/RDMS Beth Milner a year earlier to volunteer. She immediately agreed to come on staff and supplement Bette's hours as Assistant Nurse Manager.

One critical component of our success is having a sonographer on duty every hour we are seeing clients. With Bette, Beth and the continued services by RDMSs Kathy Marquardt and Kim Salter many more lives will be saved.

**A Big
THANK YOU
to CPC Supporters**

As a Pro-Life, non-profit 501(c)(3), Christian based corporation, we are totally dependent upon the generosity of our supporters. The cost of services provided to clients averages \$150 to \$250 each.

Those giving their time and financial aid are truly making a difference one life at a time.
May God richly bless you.

From 2004 thru June 2017, Beltway has served 31,815 clients and support group visits. Of the 5,796 clients with positive tests and at "Risk to Abort," 5,059 chose life. During this time, 1,933 individuals accepted Jesus as Lord and Savior or rededicated their life to Him. Your continued prayers and support are needed and deeply appreciated.

God is Faithful to Provide Support

Over the years, the Center's leaders have developed a close partnership with twenty-one (21) local churches. The vast work of the ministry would never be possible without the commitment of these pastors and their members. Before we knew we would lose one of our baby bottle participants, God was already preparing the way for success.

He put it on the hearts of new churches to join the "Change for Life" campaign. They are Life Point Fellowship of Pearland, South Main Baptist of Pasadena and EFC NASA of in Webster. Alongside Christian Temple Assembly of God, Clear Lake Baptist, Covenant Community, Crosspoint Pearland, Fellowship Bible, a First Baptist Houston Sunday Class, First Baptist of Pearland, Hope Church, North Central Baptist, Park Temple Baptist, Sagemont Spanish Church, South Belt and University Baptist Clear Lake, it has been a great success.

Our thanks to all of you for caring and sharing.

God is Faithful to Provide Helpers who Treasure Life

The vast work of this ministry would never be possible without you. You come to serve our clients as regular volunteers, as groups on work days and at special events. You provide financial support, photography, video recording, dinner for LEAP participants, all our blessing room items, gift cards to meet urgent needs and extraordinary gifting at Mother's Day, Father's Day, Baby Dedication and Christmas. Your generous gifting and willingness to give of yourselves greatly blesses our clients, fathers of the babies and their families.

Therefore, we would like to send you news about upcoming events such as the enclosed 2018 Banquet Save-the-Date announcement. We would like to respond to your inquiries about specific ways to support the ministry such as the enclosed information about joining the Kroger easy share program. We would also like to send you news about our clients more often. Email has become the most efficient and cost-effective method of delivering messages to everyone. However, we do understand the nuisance of receiving high volumes from single sources and pledge consideration.

To make this possible we need to verify your contact information in our database. Please send us an email with your name(s) and address to info@lifelinecpc.org.

Thanks to ALL who Serve Jesus by Serving Others!!!!
