

Love for Life *Annual Banquet 2020*

Featuring Artist Jared Emerson

Creating a Work of Art Live on Stage

Mark your calendar and plan to come experience Jared's incredible talent. Palm Sunday 2008 was a turning point for him. His pastor asked him to paint to music during the church service, something he had never done before. The performance changed his life. God moved his heart in a way he had never felt before. It was then that he fully realized why God gave him the gift of creativity, and the gift of art, to share His love through his hands, he Calls it "visual worship". To this day, he keeps the original painting ("The Christ") in his studio to remind him that he is a Vessel that God uses to show His grace, love and mercy. It's not about what he does, it's about what God's done for us. Everything he does, everything he paints, and

everything he experiences comes from the Lord and he is overjoyed each and every day to be His instrument. By His grace, he desires to live as a vessel.

He comes from a family of strong values, and he describes his faith as a personal relationship with our Lord, Jesus. Christ has given him the strength to provide a level of intensity that pours onto his canvas at each event. Every stroke, every detail he does to the glory of God.
