

# Abortion Statistics

**In the United States of America, there has been up to one million abortions (AB) in a year. The Beltway 8 South Crisis Pregnancy Center was opened in 2004 to help combat these statistics.**

Years	National			Texas
	Live Births	AB Rept.	AB Est.	AB Rept.
1909 - 1972	135,128,768	1,314,338		
1973 - 1979	22,763,218	8,080,620	8,080,710	319,235
1980 - 1989	37,507,077	15,736,610	15,736,740	826,281
1990 - 1999	39,902,532	14,306,200	14,300,460	882,819
2000 - 2009	41,407,857	11,215,490	12,367,080	787,756
2010	3,999,386	871,053*	1,102,670	77,592
2011	3,953,590	828,849	1,058,490	72,470
2012	3,952,937	795,764	1,011,000	68,298
2013	3,957,577	759,065	958,700	63,849
2014	3,988,076	736,976	926,190	54,902
2015*	3,978,497	639,562	899,500	55,287
2016*	3,945,875	594,162	874,100	53,481
2017*	3,853,472	427,111	862,320	53,481
2018*	3,791,712	327,691	862,320	53,481
2019*		61,229	862,320	53,481
<b>Total</b>	<b>312,130,574</b>	<b>55,823,667</b>	<b>59,902,00</b>	<b>3,422,413</b>

***“To fail on this question of abortion will be the failure of the greatest moral test of the century. This could be the last chance for Christians to stop our society from becoming totally secular and humanistic. If Christians do not take this opportunity to lead, I doubt we will get another.”*** Francis Schaeffer
