Once again, the Lord showed His faithfulness to this Life saving ministry. He placed it on the heart of His own to fill the gap and generously sustain the Center's finances in 2020.

- Local churches, businesses and individual donors continue to reveal their Commitment to Life through their regular financial support, banquet offering and baby bottle campaign.
- Many have also brought baby and maternity items throughout the year. These are the incentives that bring our clients to the LEAP (Life Education Assistance Program) and Bible Study to earn as they learn.

We appreciate your love for life and willingness to answer God's call in supporting the Center and eagerly anticipate His plans for the future.
