We are grateful. We have lived to see the overturning of Roe v Wade and the great State of Texas standing firm to save the lives of the unborn.

We are blessed by the Lord to be part of His plan to save lives.

- There remains a battle for sanctity of human life in a number of other states, but with God all things are possible. Over the past five decades, we have witnessed the impact of devaluing human life initiated by legalizing abortions. Today crimes and the taking of life at all ages has drastically increased. The Lord loves life and every individual is uniquely valued by Him. In His mercy, He has given opportunities through ministries like ours to lead persons to choose physical and eternal life.

There are six things the Lord hates, seven that are detestable to Him: (one is) hands that shed innocent blood, (Proverbs 6:16-17)

- We are privileged during this unsettling time to help birth, rebirth and/or strengthen other centers. Abortion may cease in our state but unplanned pregnancies, and needs of those in desperate circumstances do not. With this, more crisis pregnancy centers are needed than ever. Centers God has led us to help include ones in the Hill country, Madisonville and Galveston County. From the conception of our ministry, the Lord has led us to follow biblical principles in developing strong policies and procedures. These all help make sharing the gospel and leading clients to make wise choices for their unborn possible. Likewise, through scripture-based class curriculum, they are empowered with parenting skills and can earn material needs for their new baby. Now the Lord is allowing us to pass all these great tools forward to other centers.

I urge . . . petitions, prayers, intercession and thanksgiving be made for all people . . . This is good, and pleases God our Savior, who wants all people to be saved and to come to a knowledge of the truth (1 Timothy 2:1-4)

We are honored to witness the Lord's faithfulness to this His ministry.

- From 2004 through 2022, He has been faithful to bring hope to the hopeless through Jesus.
 - 2,281 Persons have prayed to accept or rededicate their lives to Christ
 - 6,534 Women at risk to abort have chosen "Life" for their babies
 - 12,547 LEAP (Life Education Assistance Program) attendances have been recorded
 - 2,926 Bible Study attendances have been logged
 - 39,395 Visits by clients and members of their support groups have been served

May the Lord bless everyone who serves Jesus by giving of themselves to serve others and save numerous lives.
