Once again, the Lord reveals His faithfulness to this Life saving ministry through the faithful. He placed it on the heart of His own to fill the gap and generously sustained the Center's finances in 2023.

- Local churches, businesses and individual donors continue to reveal their Commitment to Life through their regular financial support, banquet offering and baby bottle campaign.
- Many have also brought baby and maternity items throughout the year. These bring encouragement to our clients in the LEAP (Life Education Assistance Program) and Bible Study to earn as they learn.

We appreciate your love for life and willingness to answer God's call in supporting the ministry and eagerly anticipate His plans for the future.
