Over the lifetime of this ministry, the Lord has allowed us to walk beside our clients as He draws them closer to Himself.

- Deny and Samantha were prior clients who came back to attend the weekly Bible Study at the Center. When asked why they decided to return without currently expecting Deny responded, “We came previously for our sons, this time we are coming for us.” They had in fact attended our LEAP (Life Education Assistance Program) and Bible study with both their sons but knew they were missing something in their lives.
- After several weeks, they began to attend Sagemont Church along with the CPC Bible study each week. Although they had been together for several years, they decided they needed to get married to live according to the Bible. Unable to afford a wedding, they went to the Justice of the Peace but still longed for a Christian marriage.
- With the help of Pastor Guel, Savannah Bakery, a volunteer photographer and several other members of the CPC Family, their desire became a reality. It is an awesome blessing to witness what Jesus can do in the lives of our clients and their children.

The Lord has established this ministry to save lives.

- From 2004 through 2018, He has been faithful to bring hope to the hopeless through Jesus.
 - 2,038 persons have prayed to accept or rededicate their lives to Christ
 - 5,528 women at risk to abort have chosen "Life" for their babies
 - 11,214 LEAP (Life Education Assistance Program) attendances have been recorded
 - 2,657 Bible Study attendances have been logged
 - 34,043 visits by clients and members of their support groups have been served

Once again, the Lord showed His faithfulness to this Life saving ministry. He placed it on the heart of His own to fill the gap and generously sustain the Center's finances in 2018.

- Local churches, businesses and individual donors continue to reveal their Commitment to Life through their regular financial support, banquet offering and baby bottle campaign.
- Many have also brought baby and maternity items throughout the year. These are the incentives that bring our clients to the LEAP (Life Education Assistance Program) and Bible Study to earn as they learn.
