Over the lifetime of this ministry, the Lord has used the ultrasound machine with our nurses, sonographers and client advocates to save many lives. This is Rashida's testimony as she considered all options.

"The Lord did His work of miracles! Work of the powerful, Almighty! Still in shock! Still Scared! I had to take comfort and easing my mind with going to the Crisis Pregnancy Center. Mrs. Bette did my ultrasound and confirmed I was pregnant with twins. She immediately gave me resources and things to get started on my journey? The Crisis Pregnancy Center has been here for me during my pregnancy.

I took classes, which earned me points and I learned a lot of valuable information. I took Bible classes which grew my faith even stronger. Just being around the ladies at the Center put me in a better place.

The ladies have gone out of their way helping me and my family. Since my identical twin boys have arrived, Ace and Ashton, life has been beautiful. They have been a blessing. And the ladies at the Pregnancy Center have been a bigger blessing.

I call the Crisis Pregnancy Center my "Safe Haven." A blessing on the corner waiting to help. I call the ladies "my Angels" because that's what they have truly been. A blessing from above! Anytime I get the chance to talk about this clinic or help another mother in need, I bring up my "Safe Haven." Thank you from the bottom of my heart. Thank you for always being here for me and my family. You guys always go out of your way. Above and Beyond! And everything is greatly appreciated. The love is great. And it is a place I will continue to grow with and keep in my prayers."
